

# SCORING REVIEW PROCESS

## REVIEW PROCESS

---

Each team will receive a set of score sheets following their performance. If, after reviewing your score sheets, you feel your team was not scored appropriately in one of the following **eligible categories**, or an unwarranted deduction was assessed you may submit a review.

Please follow this process:

1. Complete the Difficulty Review Form or the Deduction/Legality Review Form. You must turn it in within 10 minutes of your score sheet being issued.
2. Turn that form in to the scoring desk that's behind the judges stand.
3. Your form will be reviewed by the appropriate Scoring Official, who will either honor or deny the request, based on that round's performance.
4. You may pick up your completed Review Form at the scoring desk before awards. If honored, you will receive a new set of score sheets reflecting the change.
